THE ONLY CLUB CATERING FOR SUZUKI'S TWO BEST SELLING BIKES. Here's how we started!

*The Bandit and SV Riders Club was born in December 1999 and has members in all four corners of the British Isles, Ireland and Northern France. About a year later we began to get people asking whether their partner / friends could join the club, but they found the Bandit too heavy and had bought SV650's. As the club is all for promoting the enjoyment of bikes we balloted members and included them, hence the Bandit & SV Riders Club. Recognised and respected for the promotion of these bikes by Suzuki GB, we are invited to many of the special Suzuki days , like the GSXR Festival at Brands in August 2001 where we had over 65 club bikes on the stand and the Frenzy at Santa Pod in 2002. And for 2003 we were part of the Suzuki Village at some of the major biking events of the year and of course the free tickets were there for members. 2004 saw us back again in the Suzuki Village again at the BSB and MOTO GP rounds. 2005 saw Suzuki take a rest from the villages but this didn't stop the club travelling the country at shows and events! 2006 sees the club having a major event for 10 out of the 12 months!! The club is there for everyone, no matter the condition or size of your bike and hopes to offer all you want from a club...and more! For 2007 and beyond the club is reaching out to members to generate regional social events and runs.*

*Events planned for the coming year include all the major BMF events to which the club is affiliated. Local events arranged by members, ride outs and possibly linking up once again with Suzuki GB. Club members get discounted spares from our main sponsor BanditMania, the best place for your aftermarket spares, as well as many quality companies all over the country.*

*The club offers members many benefits from discounts to technical information. Join today and you can start saving immediately. We are not elitist, we welcome everyone, yes and you with the 250 & 400 Bandits and the SV400! With the continuation of the SV and for 2007 and the water-cooled Bandit 650 and 1250 its going to be an exciting time for the club. Suzuki have listened to the views of its customers and created some awesome machines which cater for many tastes in one, and the club is looking forward to welcoming new owners. We guarantee you will get your monies worth in the first year.....and more!*

*When joining the Bandit and SV Riders Club please tell us your name, address, postcode, phone number, e-mail, which bike you own. UK membership costs only £12 and overseas membership and joint UK costs £22. Please make cheque's payable to Bandit & SV Riders Club.
